Stories Jesus Told (Parables)

The children will learn that Jesus told some important stories called Parables and that these stories can be found in the New Testament of the Bible. He told the stories to teach us about God and how He wanted us to live our lives. They will listen to a number of stories eg The Mustard Seed, The Good Samaritan and The Sower and then will have the opportunity to discuss their own experiences and feelings related to what they have heard. This will help them to begin to develop an understanding of the message Jesus came to share.
