

### **Governor Profile-The Revd Claire Robson**

I am the Diocesan Director of Ordinands for Newcastle, supporting candidates from across the diocese who are exploring a vocation to ordained ministry. I am a member of the General Synod of the Church of England, one of the Bishop's Advisors for Selection.

In 2018 I returned to the north-east where I grew up, after working in churches in Dorchester, London and Bath. I live opposite Humshaugh C of E First School and am delighted to support this wonderful school at the heart of our community.

Before ordination I was a primary school deputy head in London.
