

Friday 22nd July (3 PAGES)

Well, it is already the end of another amazing year here at Humshaugh First School. We had a fabulous Leaver Service today for our Year 4s with songs, poems, tears and laughter. Thank you to all parents who have kindly sent in gifts and cards for staff. We really do appreciate your kindness and are so privileged to work with such fantastic children and parents.

WATERFIGHT AND FUN DAY

The children had an awesome time yesterday starting with the hotly anticipated Year 4 v Staff water fight (the children think they won but we know the staff were the victors in the end!!).

This was followed by much excitement on the slippery slide while the children in Class 1 had fun in the paddling pool. Every child had their face painted and then visited the Tyne Valley ice cream van on the field. Many thanks to The Friends for treating us with the funds that they have raised.
