

Friday 11th June 2021 (4 PAGES)

We hope you had a restful and relaxing half term and that you enjoyed the beautiful weather. The children returned to school with enthusiasm and energy. Rehearsals for the summer production are going very well. We are waiting for the next Government announcement before we are able to make any plans regarding audience attendance. Our final STEM project took place and the Year 2 children had their first Cookery club session.

COOKERY CLUB

It is the turn of the Year 2 children to travel around the world this half term. This week they went to the USA and made delicious pancakes with bacon, blueberries and maple syrup. Next week's journey will be to Japan.

CLASS 3 STEM PROJECT

The children in Class 3 had their STEM project with Kev Dodd on Wednesday. They made electric cars which involved sawing wood for the axels, fixing the mechanisms and attaching the batteries. All of the cars worked to the amazement and joy of the children. Thank you so much to Kev for spending many hours prepping the car frames...there is a thank you gift wending its way to you. Thank you also to Herbie and Mrs Carney for their assistance.

PIRATE COOKERY

The children in Class 3 made Tack biscuits on Thursday. They followed a traditional recipe to make salt dough and then shaped and baked it into biscuits. The general opinion was that they were tasty if a bit hard!
