Dear Parents,

Welcome back to the second half of the Spring term, I hope you have all had a lovely half term break.

Please find attached the planning overview for this half term – I am looking forward to seeing you in a couple of weeks' time for parent interviews about your child's progress. If you are unable to make the date please get in touch by email so that I can arrange a suitable alternative.

Please keep up with Nesy and MathsWhizz at home – these programmes are a fantastic support for children's learning, and we are very lucky to have access to them for every individual. The Children receive points and awards for time spent and progress made each week.

Handwriting has been improving greatly over the last half term, but please continue to help your child with the correct pencil grip and letter formation as they write. Homework will continue to be set on Thursdays, in 'My Busy Things' and reading books will be changed in school every Monday. We are updating the organisation of reading books to ensure the inclusion of a 'phonics' focussed book – more information to follow on this soon.

Thank you for your continued support with reading at home, as often as possible, it makes a huge difference!

If you have any questions or worries, however small, please don't hesitate to email me directly or contact the school office and I will reply as soon as possible.

Kind regards,
