Dear Parents,

Welcome back to the Spring term, I hope you have all had a lovely Christmas and New Year break.

Please find attached the planning overview for this half term – I have also created Home Learning grids for any children in Class 2 who are isolating at home over the next few weeks. These will be emailed out to parents as needed, week by week.

Please keep up with Nessy and MathsWhizz at home – these programmes are a fantastic support for children's learning, and we are very lucky to have access to them for every individual. The Children receive points and awards for time spent and progress made each week.

Handwriting will continue to be a focus for all children, so please continue to help your child with the correct pencil grip and letter formation as they write. Homework will be set on Thursdays, in 'My Busy Things' and reading books will be changed in school at least twice a week. Thank you for your continued support with reading at home, as often as possible, it makes a huge difference!

If you have any questions or worries, however small, please don't hesitate to email me directly or contact the school office and I will reply as soon as possible.

Kind regards,

Karen Blythe
