

HUMSHAUGH C OF E (AIDED) FIRST SCHOOL

LIVE LESSON AND ONLINE LEARNING CODE OF CONDUCT

We are so pleased to offer live sessions to all of our pupils. It is very important that all pupils are aware of the expectations of their conduct which should be in line with the in-school behaviour for learning. We know that our pupils can be trusted to access sessions sensibly and maturely.

Pupils should read the 'Code of Conduct' carefully and agree to it.

All children should:

- 1) Be dressed appropriately for the lesson (i.e. not wearing pyjamas).
- 2) Arrive punctually for sessions (being ready to log on 5 minutes before the session).
- 3) Use clear and appropriate language at all times (whether that be spoken or written).
- 4) Remain on mute for the duration of the call unless otherwise directed.
- 5) Only type in the chat feature when asked to do so or when asking a question relevant to the discussion.

6) Not use their mobile phone during lessons.

7) Ask the teacher before leaving the session (for a toilet break, for example).

8) Not have other browsers or apps open during the session. In the rare instances where this code is not adhered, sanctions will be issued.

a) Warnings in-line with the school's behaviour approach will be issued e.g. amber/red.

b) A teacher can remove a pupil from a session if their behaviour is not in line with our expectations.

c) Contact will be made with home to discuss the sessions.

d) In instances of repeated misconduct, a pupil may be asked not to attend live sessions as a temporary measure.
