SALMON IN THE CLASSROOM-TYNE RIVER TRUST

Jamie and Simone from the Tyne Rivers Trust visited school last week to deliver our salmon eggs and gave a very interesting and informative talk about Atlantic Salmon. The children were really enthusiastic and very excited about looking after the eggs until they are ready to be released at the end of this half term. Every day, two children are completing a chart including taking the temperature and making observations.

LEADERS

This week the children in Years 3 and 4 chose which Leadership team they wanted to join. See below. Each child received a smart Leader badge and from next week will begin to take on different jobs as part of their role. (Photograph below)
