

20th May 2016 Newsletter

Attendance

Congratulations to the following children who achieved 100% attendance in the Spring term:

Year 1 – Hayden, Max and Chloe

Year 2 – Tess and Jamie

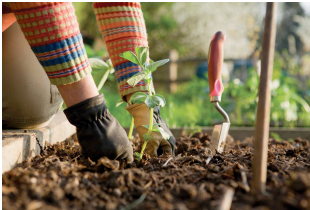

Year 3 – Naomi, Bayleigh and Kayla

Year 4 – Holly and Harrison

Wild About Adventure

The full day activities will be on **Tuesday 24th May** and **Tuesday 7th June**. Children should come to school dressed to be outside for most of the day, in old clothes and trainers or other similar footwear. Please send a waterproof jacket and/or apply suncream to your child on these days depending on the weather forecast. If anyone has any old sinks, pallets, copper piping or other containers that can be used outside, please can you bring them into school on Tuesday morning. Thank you.

Outdoor learning environment

Thanks to a generous donation from The Evans Trust, the outdoor area has been developed for children in EYFS. Thanks to Alison Smith and Mrs Blythe for re-organising this space and purchasing new equipment for our younger children. Our next priority for improvement is the yard for older children. Thanks to Mr Davison for weeding the planters. Mrs Carney will be growing fruit and vegetables with Class 1 after May half term as part of the Science curriculum. Any funds raised at the Summer Fair will be spent on developing the outdoor area for our older children.

Year 2 SATS

Year 2 children completed their reading and Maths tests this week and have done extremely well. The SPAG test will take place next week. The tests are one piece of evidence towards the overall teacher assessment which will be reported to you in your child's annual report in July.

Parent questionnaires

Thank you to those parents who have returned the parent questionnaires. Please return your questionnaire to school today so we can analyse your responses and act upon your suggestions for improving our school. All ideas are gratefully received.

Year 1 phonics testing

Children in Year 1 will have the annual phonics test on Tuesday 14th June, Wednesday 15th or Thursday 16th June. Mrs Blythe has been working hard to prepare the children for this phonics test, so there is nothing for them to worry about.

Morning routines

Please remember to arrive promptly to school in the morning. The bell is rung for school to start at 8.50am. Parents should leave their children in the playground where they will be escorted into school by Mrs Phillips. Thank you.

PE this term

We will be doing PE outside in the Summer term, so please make sure your child has sandshoes with velcro fastening or trainers that he/she can fasten independently. Please ensure that your child comes to school in full school uniform. Thank you.

Water bottles and sun cream

Please remember to send your child to school with a water bottle each day. It is really important that your child stays hydrated in the warmer weather. Sun cream should be applied to your child before he/she comes to school and this will provide protection for the day.

Reading Challenge

To encourage children to read more regularly out of school, we will be hosting a mini reading challenge over the May half term holiday. Any child who reads 10 times over the holiday will get a certificate and a small reward. The recommended time for a child to read or listen to stories each day is 15 minutes for children in EYFS, 20 minutes for KS1 children and 25-30 minutes for children in lower KS2. This can be school reading books, magazines, comics, newspapers or any other form of reading. A parent or carer should sign, date and record how long the child has read, making a comment about what he/she particularly liked.

Queen's 90th Birthday Event

The Queen is 90! This village event will be held on Saturday 11th June 2016 from 1pm- 4.30pm at the school, the village hall and St Peter's Church. There will be afternoon teas and other refreshments, food trade stalls, plant stall, Humshaugh First School and Playing Field Trust stalls and lots of fun and games to entertain including a dog show! Louise has requested that donations of bottles and games be brought into school and placed in the store room next to Mrs Rowcroft's office. Thank you. There will be a Scarecrow Trail and best dressed house/garden- details available from The George Hotel.

Other dates for your diary.
