FUN IN THE SNOW

FRIENDS FROM THE VILLAGE

The children in Class 2 welcomed our Friends from the Village on Thursday morning. They enjoyed playing board games, colouring and bingo with the friends. Behaviour was impeccable and both children and grown ups had a very enjoyable time.

PE

The children in Years 1 to 4 are really enjoying their gymnastics lessons with Mr Hulbert. They have been developing new skills such as balancing and counter balancing and refining their positions, jumps and rolls. They will work towards linking all their movements into a sequence. There are more photos in the PE Curriculum section of the school website.

E-SAFETY

Staff and governors have recently taken part in an e-safety refresher training session. This is a regular part of our robust safeguarding system and always throws up controversial items as technology is advancing so rapidly.

The following links are guides for parents about various internet safety issues.

Every week, I will include an e-safety update or link to allow parents to be well informed of the games and apps that children might be accessing outside of school.

As always, if you have concerns about what your child is accessing online, then please let me know and I can source parental guides or advice for you.
