<p>7.a) If you have indicated there is a negative impact on any Equality Target group, answer the following:</p> <p>Is the impact legal/lawful? (i.e. You must ensure that it is not discriminatory under anti-</p>	<p>As we have a risk assessment in place specifically to ensure a positive impact this section of the EIA is not applicable.</p>		

discriminatory legislation). Seek advice from your School link HR Advisor if necessary Is the impact intended?	
7.b) Could you minimise or improve any negative impact? Use the space below to detail how.	As above – this risk assessment is not recording a negative impact
7.c) Is it possible to consider a different policy/strategy/action, which still achieves your aim, but avoids any adverse impact on equality?	We have a COVID-19 risk assessment in place to specifically negate any negative impact of a wider opening of school on our staff.
7.d) In light of the information on this form; what practical actions would you take to reduce or remove any adverse/negative impact?	Our COVID-19 risk assessment is in place to specifically negate any negative impact of a wider opening of school on our staff. By ensuring periodic review we are considering most recent advice and guidance from Government / H&S / HR and impact on identified groups is therefore minimised.

PART 2 - CONCLUSION

8.a) As a result of the assessment and consultation completed at Stage 1 above, please note any changes made to the policy, project or planned action.	The risk assessment will be under periodic review to ensure it reflects most recent advice from Government / H&S / HR. If it is deemed this requires further consultation, then Stage 1 of the school IEA will be reviewed/amended as necessary and Stage 2 completed.
8.b) As a result of this assessment and consultation, does the school need to commission specific research on this issue or carry out monitoring/data collection?	The risk assessment is monitored and reviewed by the Head Teacher and governing body in light of changing guidance from the DfE in relation to slowing the wider opening of schools until such time as there is no longer a threat from the COVID-19 virus.
9) Have you set up a monitoring/evaluation/review process to check the successful implementation of the policy, project or change?	The monitoring/evaluation/review process is led by the Head Teacher. Currently, there are meetings on a weekly basis. Stakeholders give feedback that is shared and discussed. Actions are taken if required. The FGB is kept up to date with developments through 'Weekly Updates'.
