

Mrs Rainford French and RE overview

Spring 1st 2015

CLASS 2- RE

We will complete our Christmas theme of **God with us** by looking at how it feels to be in the presence of God and reflecting on how the presence of Jesus had and still has an impact of people's lives. This will lead us to our next topic **Jesus the man who changed lives** when we will revisit Bible stories such as Zacchaeus and discuss new stories for example **The Calling of Levi** and **The Rich Young Man** to think about the concept of change in our lives.

CLASS 2- French

The children will be introduced to days of the week, numbers and months to be able to say the date in French and in particular the date of their birthdays. They will look at some typical events through the year in France noting similarities and differences with England.
