## Sara Cox support crew!

We are very excited that BBC Radio 2. DJ Sara Cox is stopping at Humshaugh on the first day of her challenge in the afternoon of Monday 10<sup>th</sup> November.

The BBC have asked if we can have as many children as possible lined up outside the school to cheer her on. We will of course make some supportive banners and hope that everyone can hang around after school to show their support. We do not have a definite time yet but will be able to track her progress via an app.

If children are in Sports Club or Wraparound, they will be on site anyway. There will be a BBC Documentary team accompanying Sara on her journey so please bear this in mind if you do not want your child/ren to appear in this.

### **CELEBRATING EXTRA CURRICULAR PUPIL ACHIEVEMENTS**

A massive congratulations to Olivia who has been selected for the Tynedale Swimming Development Squad. She will train 2-3 times a week until next summer and can start competing when she is 9 years old.

Very well done to Mia who has just completed Part 2 of Fanny Waterman's Me and my Piano programme. Her teacher was very proud of her as she is the youngest of his students to complete this level as a width as a second of her as the started leasens a very age.

Please let Mrs Long know if your child/ren take part in extra-curricular clubs and activities and achieve awards or prizes. We would love to celebrate and share their efforts and successes.

#### **PE KITS**

Please ensure children have their PE kits in school on **Monday 10<sup>th</sup> November.** 

Class 2 and 3 are doing Dance this half term so please make sure your child has a suitable PE kit in school and trainers that he/she can fasten independently.

#### **FLU IMMUNISATION-Whole School**

The following date has been planned for our school 3/12/25

Parents should have been provided with a link to complete the required form.

#### **ILLNESS**

We understand that parents may be wary of sending children into school who are displaying cold/flu like symptoms. Please ring school if you need support to make a decision about whether your child should attend. In the coming months, coughs and snotty noses will be a regular occurrence. We would prefer that your child have a dose of paracetamol and come into school unless they have a high temperature. If staff are concerned that a child is unwell in school, parents will be contacted for the child to be collected.

#### **UNIFORM**

\*PLEASE ENSURE THAT ALL ITEMS OF UNIFORM ARE CLEARLY LABELLED WITH YOUR CHILD'S NAME OR INITIALS\*

#### **SCHOOL COMMUNICATION**

If you need to speak to your child's class teacher, please either send them an email directly or ring the school office and they will aim to return your call as soon as possible.
