FLU IMMUNISATION-Whole School

The following date has been planned for our school **3/12/25**

Parents should have been provided with a link to complete the required form.

ILLNESS

We understand that parents may be wary of sending children into school who are displaying cold/flu like symptoms. Please ring school if you need support to make a decision about whether your child should attend. In the coming months, coughs and snotty noses will be a regular occurrence. We would prefer that your child have a dose of paracetamol and come into school unless they have a high temperature. If staff are concerned that a child is unwell in school, parents will be contacted for the child to be collected.

UNIFORM

PLEASE ENSURE THAT ALL ITEMS OF UNIFORM ARE CLEARLY LABELLED WITH YOUR CHILD'S NAME OR INITIALS

SNOW COMMS

As we have definitely entered the Winter season, please check Facebook and emails regularly for information regarding closure due to bad weather. We always try our very best to ensure that school remains open but with staff travelling from various areas, we need to make sure that there are enough members of staff on site to maintain the children's safety.

In the event of a closure, a message will be sent via Facebook and email. You will also receive a phone call from an allocated member of staff. If you are yet to join our private Facebook page, please consider doing so as we do regularly post reminders and important information.

SCHOOL COMMUNICATION

If you need to speak to your child's class teacher, please either send them an email directly or ring the school office and they will aim to return your call as soon as possible.
