The Year 4 children who will be moving up to HMS in September visited the school on Wednesday afternoon for a fun game of rounders with all the pupils from the different local schools. As always, their enthusiasm and behaviour was excellent. The pupils going to CMS enjoyed a sports evening last week as part of the transition process.

HUMSHAUGH COMMUNITY VENTURES HARDSHIP FUND

Humshaugh Community Ventures is concerned about the ongoing increase in the cost of living and the possible difficulties it may bring for our residents.

If you find yourself struggling to make ends meet and you're unable to cover essential, day-to-day living costs, we may be able to offer help with some funding raised through the shop.

The Fund provides temporary financial help for residents of Humshaugh Parish through support for utility bills and food shopping.

To access the fund please ring or text leaving your name and contact details on the following number.

07857 560746

All enquiries will be treated in confidence. As well as providing some short term financial help we will also try to help put you in touch with other useful services.

So for quick and confidential support please ring **07587 560746** today.

Just to recap what we are offering is:

- £100 towards utility bills for up to two months
- £50 food shopping in the village shop for up to 2 months
- A contact sheet of other support that is available.

The £100 pounds will be paid direct to the utility company by the applicant providing utility phone number and account number.

£50 is available through "credit" which will be written off at the end of the month. Recipients will choose shopping and tell volunteers on duty they have a credit file. Shopping will be marked up. The credit ceases when it reaches £50 limit, but a further £50 is available the next month.

After 2 months we will then have a chat regarding people's circumstances. We could then offer them a staged exit from the scheme, amount reducing each month.
