

Humshaugh Cof E First School Sport Premium Report 2018-2019

In 2018-2019 the school received £16,360. The funding was used in a variety of ways to further improve and develop teaching and learning of PE across the whole school. We found a provider that offered better value for money and introduced our children to new experiences and opportunities within sport. They provided support and advice for existing staff and those new to school and new to year groups. We continued to encourage children to lead healthy and active lifestyles through our teaching and learning and organised events such as health and fitness week. We actively encouraged our children to take part in competitive sport including Gymnastics, Tag Rugby, Tennis, Tri-Golf and Quadkids.
