Head teacher: Mrs Jude Long

Date: 21st April 2023

Dear Parents,

Welcome to the Summer term in Class 2!

Please find attached the planning overview for this half term by subject, so you can see the coverage. Our topic this half term is 'Growing things' and we are focussing on plants in Science with a Literacy focus on Jack and the Beanstalk. In Geography, we are studying the local area and our school. We will be returning to Forest school on Fridays for the duration of the Summer term.

We are beginning to do some practise for Year 2 assessments and the Year 1 phonics screening (reading check.) Both will take place after half term, and it will be very relaxed as by then, we will have done plenty of practice. If you have any queries about these statutory assessments, please don't hesitate to get in touch.

Homework will continue to be sent home on Thursdays and collected in on Wednesday each week. This will consist of a Maths task related to current learning and will often include a Big Maths sheet that is pitched at your child's level of competence.

Reading books will continue to be changed in school every Monday. Thank you for your continued support with reading at home, as often as possible, it really makes a massive difference to your child's progress!

If you have any questions or worries, however small, please do come and find me in School at any time or email me at karen.blythe@humshaugh.northumberland.sch.uk.

Kind regards,

Karen Blythe
