| My child loves going to Humshaugh First.  |
| All of our children look forward to school, they never want to miss it and are happy when collecting. They have good friends and share positive experiences.                    |
| My child is happy to go in each day.  |
| My child has a lovely group of friends and seems to get on with everyone in her class and in other classes. She loves her teachers and most of her lessons (RE isn't her forte) |
| Very happy, always. He as well as myself will be very sad when he leaves in July  |
| Both my children are very happy at school. They positively skip in and out of school each day and always have something fun and exciting to tell me.                            |

## Question 2

My child feels safe at this school.

#### Comments

|   |
|---|
| My son thrives at Humshaugh, he is encouraged to do his very best and given opportunities to do so.   |
| Doing a lot better but still behind.  |
| We can see improvements in their reading, writing and they have lots of co curricular involvement.  |
| I feel the school cares about my child as an individual and wants her to do well.   |
| I feel the education my child receives is excellent, due to the teacher, small numbers and the discipline                                       |
| Fantastic emotional, social and academic support  |
| Both students have made brilliant progress in terms of academic and social skills.  |
| Mrs Blythe has gone above and beyond to help with my child's confidence and has listened and supported me as a parent to develop certain areas. |

### Question 4

This school has high expectations for my child.

29 responses

#### Comments

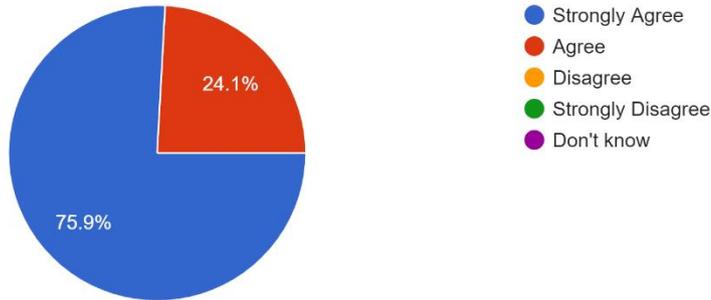

|   |
|---|
| The standard of learning is very high, but with the support and encouragement they receive, it is achievable.   |
| I feel my child is pushed an appropriate amount and the school has high but realistic goals for her.  |
| Which I am glad about. I feel that even though he is the youngest in the class this has not held him back and this is a lot to do with the school and staff |
| School has very high standards and expectations for my children in all aspects of school.   |

| There is a system in place to manage behaviour in the school.  |
| Sometimes feel like minor misbehaviour/normal age related things, are treated as being worse than they are.  |
| Pupils are polite and well mannered  |
| I don't agree with the star reward system  |
| Yes they do and so they should. There are too many badly behaved children about. I would want my child to be disciplined if he was naughty as he is if he is at home.  |
| My children thrive on boundaries and the school/ teachers clearly outline these consistently   |
| There is excellent communication with home by phone, email and during parents evenings. School and teachers are very keen to meet to discuss behaviour and targets are set to enable children to improve if issues have arisen. Also school celebrates achievement and positive contributions very well both in and out of school. This provides motivation for students to aim high to achieve a reward. My children love to tell me about what they have done well at when they come in from school. |

### Question 6

My child has been bullied and the school dealt with bullying quickly and effectively.

### Question 7

When I have raised concerns with the school they have been dealt with properly.

29 responses

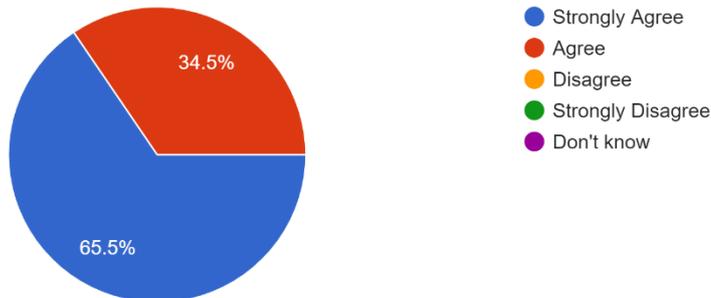

### Comments

|   |
|---|
| Any concerns are dealt with quickly and appropriately.  |
| School is always prompt and professional at dealing with any queries or concerns.   |
| When there was a small issue with another child, Mrs Long dealt with it quickly and thoughtfully and my child has never mentioned it since. |
| The school have always dealt with any concerns quickly and effectively  |

### Question 8

I receive information from the school about my child's progress and experiences.

| We meet with the teachers and receive a report. But if any concerns are flagged from either parent or teacher, there is opportunities to deal with these outside of these times.   |
| School keeps me up to date and celebrates my child's progress regularly.   |
| I am not on Facebook, the school were switching to this way of communicating to parents. I contacted the school to explain that I have never had it and didn't really want to start. They have simply carried on with emails, brilliant! |
| Fantastic communication and they make you comfortable to contact when ever needed.   |
| My child is only 2 years old so more of this would be appreciated as he isn't always able to tell me what he's been up to each day.  |
| The newsletter, meetings at pick up and parents evenings are very helpful.   |

## Parent Questionnaire Results – May 2024

Mrs Blyth is very approachable. Would like more than 10 minutes at parents consultations as I don't feel this is enough. It feels rushed.

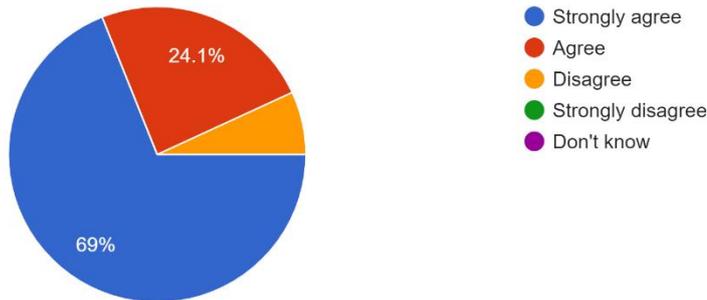

Mrs Blyth is always very responsive and supportive via email.

Communication by the school is excellent, there are regular meetings and it is very easy to raise concerns.

### Question 9

My child can take part in clubs and activities at this school.

29 responses

### Comments

My child has tried all the clubs and decides which ones he wants to do. He loves Zumba with Shelly.

My older children can but my youngest can't.

The extra curricular offer at Humshaugh is superb, I feel very lucky that my child can take part in such varied clubs.

Would help be so much next year if you were to included Reception in after school clubs.

My child goes to every after school in which allows me to work longer and collect him after work. These are totally free. I think the parents at Humshaugh are very lucky

Not available for his age

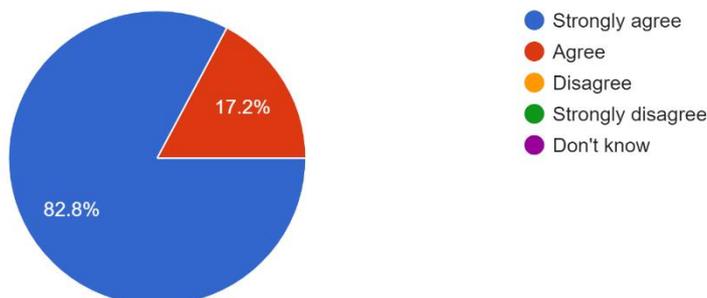

The clubs offered after school are fantastic and provide amazing wrap around support to allow me to work.

One can but there is no provision for early years after school

### Question 10

There is a good range of learning experiences at this school.

### Comments

Between trips and visitors, my son comes home talking about all different topics and work they have been doing each week.

I do feel that the school could incorporate outdoor learning more. My child sometimes comments that forest school didn't happen today/ we didn't do PE today. For my children especially they require physical/ outdoor time & to us it feels like it's quite low down on priority at this school.

They have many project days, visits and outdoor learning too.

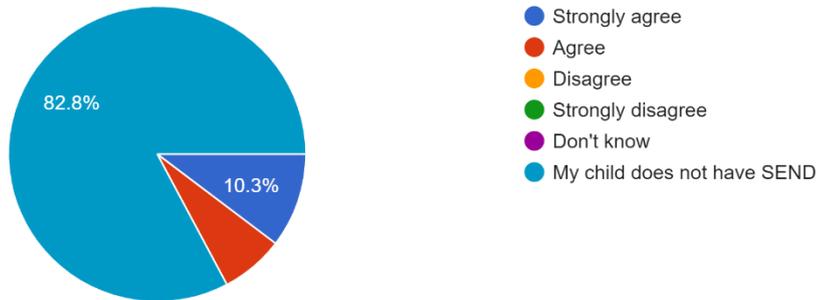

The volume of school trips and excursions is brilliant. I am really impressed with the broad range of locations and attractions my child has had the opportunity to visit.

I am astounded at the subjects my child covers, the way you learn them is very creative too which he loves

### Question 11

My child has SEND (special educational needs and disabilities), and the school gives them the support they need to succeed.

29 responses

### Comments

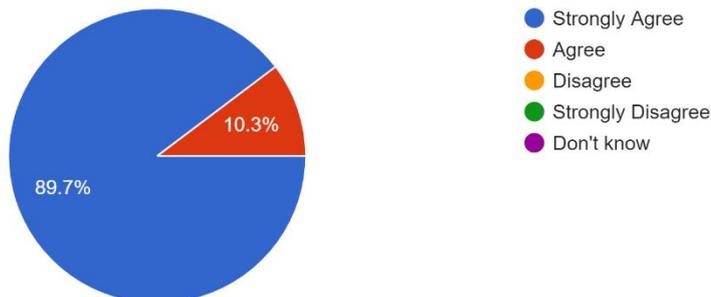

Amazing support and understanding

My child does not have SEND, however has needed additional support in his ability to manage his behaviour and social situations. School were excellent in putting support in place for my child and we have seen lots of progress this year.

### Question 12

I would recommend this school to another parent.

| Absolutely, a fantastic supportive school with strong teachers and support staff.  |
| I would recommend this school to other parents however the after school provision timing does let it down. 4.30 isn't late enough for many working families so I think it would put lots of working families off.  |
| Pupils are nurtured and well looked after, my children seem to be excited about their learning experiences. I enjoy seeing them mix across year groups and support each other.   |
| I cannot speak highly enough to other parents about how fabulous the school is. The staff team are dedicated, hard working and genuinely want the best for my child.   |
| Absolutely! And I do, regularly.   |
| I have to several parents  |
| I rave about Humshaugh First School. We are so lucky to have this school in our village. The school is academically excellent and benefits from the depth of experience the class teachers bring to their teaching. The school also prioritises art and drama, with the two school plays being a huge highlight for the children each year. Importantly, children are encouraged to be adventurous and to try new things. Above all, it is a friendly and kind and has provided the best start for our children. |
