6th June 2018

Dear Parents,

Welcome back to the second half of the Summer term, I hope you all enjoyed the half term break.

The topic for this half term is Oceans and Seas - please see the attached sheet for an overview of the curriculum coverage. The children are already getting excited about the Summer production linked to this theme!

Year 2 children have now completed their statutory assessments - results of these will be communicated to parents with school reports in July. Please feel free to come and ask me if you have any queries or concerns regarding this - the children have worked very hard and they should all be very proud!

Next week Year 1 children will undergo the statutory phonics screening - again this will be communicated to parents as part of the school reports. They have also been working very hard with phonics and reading.

Thank you once again for all the hard work you are putting in at home to help with reading, homework and spellings - it is making a real difference!

I am available at any time before school (every day) and on a Monday and Wednesday after school - please pop in!

Yours sincerely,

Karen Blythe
